School Equipment Use Contract

School equipment is purchased partially by Meagher County taxpayers and therefore every effort is made to cooperate with the residents of Meagher County who would like to use the school equipment.

Use of the equipment is subject to the following conditions. The individual signing the Use Contract form assumes responsibility for the return and condition of the equipment. **To make sure tables and chairs continue to be available, White Sulphur Springs Schools respectfully requests that users offer a donation for the use of the tables and chairs. Donations will be used to replace tables and chairs that are damaged or no longer useable.**

1. Tables and chairs are to come back clean and free of tape. No staples are to be used.
2. Items damaged or broken will be repaired or the cost of replacement will be paid to the school district.
